

JOB OPENING FOR ELECTRICAL ENGINEER

About us

Alpine Mayreder Construction Co., Ltd. is a wholly foreign owned General Contractor with headquarters in Beijing. As a member of German Zech Group it is our vision to deliver outstanding and sustainable performance to our clients all over China within the fields of Construction, Project Management and Value Engineering.

To achieve this vision, we are on a constant search for professionals who are excited by the opportunities provided in AMCC, and who are driven to excel. Our HR philosophy for recruitment is to identify talents that our company needs and place them in a job that best suits them. We seek to provide the right opportunities for each individual to realize their potential.

Realize your dreams with AMCC and you will discover that it is also a place where you will be recognized for your talents and efforts, and feel a sense of pride in what you do.
